

Formerly Prevent Blindness Oklahoma

## **Day/afternoon prior to scheduled school vision screening**

- Contact the school the day or afternoon before the screening to verify that the school is open and you are able to screen the children.
- Verify with the school if Volunteers are allowed.
- Inquire about a Visitor form requirement. Some schools will have them on-line for you to fill out prior to arriving at the school.

## **Morning before you leave for your scheduled school vision screening. Do you have any of the following symptoms?**

- Self Monitoring of your temperature. Temperature over 100.4 degrees
- Cough
- Shortness of breath or difficulty breathing
- Fever or Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

***If you answer "Yes" to any of these questions, Please stay home and contact your scheduled school, Mason's and the Vizavance office.***

## **Morning before you leave for your scheduled school vision screening. Do you have the following COVID-19 required equipment?**
